I came to Dennis via a personal recommendation. I was very pleased with all the help and support I received in setting up my own business, not an easy challenge, but with Dennis's guidance the journey was made far less painful and at an affordable price.

I would thoroughly recommend Electric Ink to anyone whether an existing business or a new venture.

“ First the good news – Jim, his Malmaisons and your design work have been awarded a Gold Medal in the Heritage Tent at Hampton Court – Hurrah we are all very pleased!

However....we haven't had an invoice from you yet – has it gone astray? I wouldn't usually press for

a bill! but as your help definitely made it much easier to get our information on the exhibit just right and looking very smart - and thus the Gold - I thought I ought to mention it"
